LANGUAGES

Hebrew (Native), English, Russian

I'm passionate about problem-solving and design – I enjoy focusing on details and turning ideas into clear and thoughtful experiences.

Education:

- 2025** **Technion - Israel Institute of Technology**
Certificate in UX Design, Complex system.
- 2022-2024** **Shenkar College of Practical Engineering**
Two-year studies in Visual Communication.
Holds a Practical Engineering diploma in Visual Communication from "Mahat," graduating with honors.
- 2017-2019** **High School, Graphics and Art study track**
Full high school diploma in the Arts of Design track, specializing in design. Holder of a technological certification from the Ministry of Education.

Work Experience:

- 2025-2026** **Alios – Advertising Company**
Designing and building creative, campaign focused landing pages
- 2024** **Freelance Designer**
Website design, branding, and video editing for small businesses.

Military Service

- 2019-2021** **Ministry of Defense**
Unit: Publishing and Graphics
Role: Graphic Designer
Responsible for all graphic design work and providing services to the Minister's office and all departments of the Ministry of Defense.
Worked on designing business cards, signs, brochures, memos, and advertisements.
The role required working under pressure and tight deadlines, high accuracy, patience, and great responsibility.
